

CT Training & Consulting Institute

1116 Portland-Cobalt Rd. (Rte. 66)

Portland, CT 06480

CTTCI is pleased to host these exciting and innovative NAEMT EMS Courses each of which offers CEUs for CT and NREMT EMT's:

Pre-Hospital Trauma Life Support

Full course: All didactic material is online so you can complete it at your convenience; Class time is dedicated to answering your specific questions and hands-on skills.

Saturday/Sunday, March 23 & 24, 2019 0800-1600

Emergency Pediatric Care (formerly PEPP)

This course provides an in-depth understanding of the pathophysiology of the most common pediatric emergency issues, and stresses critical thinking skills to help practitioners make the best decisions for their patients. **Saturday/Sunday, April 6 & 7, 2019 0800-1600**

Pre-Hospital Trauma Life Support - Recert

Recert course: All didactic material is online so you can complete it at your convenience. Class time is dedicated to answering your specific questions and hands-on skills.

Saturday, May 18, 2019 0800-1600

Geriatric EMS (GEMS)

Full course: GEMS provides EMS practitioners at all levels with the skills and knowledge to address the unique medical, social, environmental and communication challenges of older adults. GEMS empowers EMS practitioners to help improve medical outcomes and quality of life for geriatric patients. GEMS features case-based lectures, live-action video, hands-on skill stations, simulation, and small group scenarios to fully engage students in the learning experience.

Saturday, June 15, 2019 0800-1600

Pre-Hospital Trauma Life Support

Full course: All didactic material is online so you can complete it at your convenience; Class time is dedicated to answering your specific questions and hands-on skills.

Saturday/Sunday, July 13 & 14, 2019 0800-1600
